WORK EXPERIENCE

Linkedin Messaging - UX Intern

Mountainview, USA / June 2016 - August 2016

Designed and shipped features to improve the LinkedIn messaging experience. My responsibilities included working with researchers, product managers and developers to identify opportunities for improvement. I then created both mockups and final designs for development.

Tacchi Studios - UX Intern

Tokyo, Japan / Mar 2015 - May 2015

Designed wireframes / mockups for tablet application for online clothing store.

Lendstreet - UX Designer

Tokyo, Japan / Jul 2014 - Aug 2014

Designed user flow and wireframes for investor onboarding, loan browsing and investment process for crowd lending platform.

Man Woman and Child - UX Designer (Freelance)

Tokyo, Japan / Jun 2014 - Jul 2014

Designed user flow and wireframes for a retail loyalty/rewards mobile platform.

Tedx Tokyo - Motion / Interaction Designer

Tokyo, Japan / Dec 2013 - May 2014

Design and animation of main motion graphic used in event marketing and speaker introductions.

Pitched, built team for and executed interactive Twitter installation displayed during event. Responsible for UI / Interaction design for installation.

OTHER WORK EXPERIENCE

Altus Capital - Property Fund Management Analyst

Tokyo, Sapporo, Hong Kong, Remote / 2007 - 2015

Editor/Designer of company marketing newsletter.

Member of investment team, responsible for financial modeling and valuation work in over 150 property investments.

Management reporting / monitoring for portfolio of properties across Japan.
